If your name does not appear on the lists, or if you know of anyone who would like their name to go on, then please let us know. If there are enough names a supplementary list will be brought out in due course. A stamped addressed envelope is not essential to get a reply, but would be very useful in settling the bank balance.

The fame hasn't changed us but the money has.

P.S. Dont forget the dibblers - C/O Australia House London.
